Explanation

Public Education and Awareness Campaigns: Active Minds has created Awareness Campaigns for our chapters, partners, and supporters such as A-S-K, Suicide Prevention Month, and Stress Less Week. During these programs, students and community members are introduced to mental health topics that are often misunderstood. By educating through innovative and relevant means including existing student networks (ie fraternities and sororities, honor societies, athletics), a comprehensive website at www.activeminds.org, digital means including Slack, and an interactive presence on social media, Active Minds aims to raise public consciousness and change the way mental health issues are understood and publicly approached. In 2023-2024, more than 1,000 campuses and communities ran Active Minds' Public Education and Awareness Campaigns.
